

Сведения об официальном оппоненте

по диссертации Манахова Андрея Дмитриевича
«Геномный анализ представителей семейства куньих (Mustelidae)»,
представленной на соискание ученой степени кандидата биологических
наук по специальности 1.5.7. – генетика.

Полное наименование организации:	Научно-исследовательский институт нейронаук Федерального государственного автономного образовательного учреждения высшего образования «Национальный исследовательский Нижегородский государственный университет им. Н.И. Лобачевского»
Сокращенное наименование:	Нижегородский государственный университет им. Н.И. Лобачевского
Почтовый адрес с индексом:	603950, г. Нижний Новгород, пр. Гагарина, д. 23, к. 7
Телефон	+7 (831) 462-37-64
e-mail:	tarabykin@neuro.nnov.ru
Фамилия, имя, отчество, ученая степень, ученое звание, должность оппонента.	Тарабыкин Виктор Степанович, д.б.н., профессор, директор
Адрес официального сайта в сети «Интернет»:	http://www.unn.ru
